To whom it may concern,

**RE: Trade Reference for MARKA PAINTING**

Fraser's Greencliff Developments have used MARKA PAINTING for all our projects, whether it be residential, retail or commercial property development.

For the past 10 years we have had strong relationship based on trust and an understanding that MARKA PAINTING provides the highest level of quality and customer service.

All work over the years has been to an exceptional level without the need of MARKA PAINTING having to return to site to "fix" problems.

An added bonus of MARKA PAINTING service is their ability to leave the site and work area in a clean and tidy state.

We have never had any problems or complaints regarding Carlos or his team and I can wholeheartedly recommend the services of MARKA PAINTING to any prospective client.

Should you wish to discuss any part of this letter please feel free to contact the undersigned.

Yours faithfully,

**Marcus Chang**
